

Schedule 5 – Request for Quotation Template

Note to Service Provider:

This Schedule 5 provides a Request for Quotation (RFQ) template that includes the typical information that an Agency will provide to the Service Provider to request a quotation for the provision of Management Advisory Service to an Agency, as detailed in clause 11.2 of the Head Agreement. It is intended that the RFQ will be provided as a smart form. The intent of this template and any smart form is to achieve a high level of standardisation and consistency in Agency RFQs to provide efficiencies to Agencies and Service Providers, however, it will not be mandatory that Agencies use this RFQ Template or any resulting smart form to request quotes from Service Providers.

Non-corporate Commonwealth Entities must:

- **only approach small and medium enterprises (SMEs) to quote for procurements with an estimated value under \$125,000 (including GST), unless paragraph 5.5 of the CPRs is used.**

All Entities must:

- **approach at least one SME to quote for procurements with an estimated value of \$125,000 (including GST) and above.**

SMEs can be identified through the search tool or supplier matrix via the Management Advisory Services Panel website. Refer to the panel user guide for more information on these requirements.
